At Little Friends Day Care, our goal is to create and provide a culturally focused, safe, caring, learning environment for children by providing activities, which are suited towards each child's level of growth and development.

Our philosophy is to work collaboratively with families to help each child reach their full potential and establish a proud sense of self and excitement for a lifetime of learning and playing.

Little Friends Day Care is open to the community and excited to support and offer services to families in Prince George

We offer full time and part time child care spaces for children ages 2.5-5 years old.

Our staff are licensed Early Childhood Educators and participate in ongoing training and education to ensure we are delivering quality programming to children and families.

All staff has current First Aid and Food Safe training.

Our Program is hosted by the Prince George Native Friendship Centre (PGNFC).

The PGNFC is a multifaceted organization employing over 200 people, offering a broad range of services to approximately 50,000+ "Friends of the Centre" annually and has the privilege of having many "Friends" come through our programs to become staff within the Centre. For 44+ years the PGNFC has been working towards meeting our original mandate as well as successfully adapting to the changing needs of the community.

As part of our commitment to children and families, we have opened a new daycare to assist the community in accessing quality child care for young children.
